

BUILD A TRYKE

River Action and Mississippi Bend Trykes, a local chapter of AMBUCS, have teamed up to bring the joy of riding a bicycle to children who otherwise may never have had the chance. Local groups and businesses have donated kits to construct special tricycles for children with disabilities.

These trykes have special modifications to fit each child's needs. After building the trykes on Saturday with volunteer teams, we'll be giving them to the children on Sunday at Ride the River headquarters at a 9 a.m. ceremony.

"U.S. Bank is thrilled to help those with disabilities take part in Ride the River 2017 by sponsoring the Build a Tryke program."
