

# OPENING THE EDGE ALONG THE MOLINE RIVERFRONT

## **WEDG** Waterfront Edge Design Guidelines

Workshop at the 2025  
Upper Mississippi River Conference  
**Stoney Creek Hotel Moline**

**OCT. 14**

**2:00-4:00 p.m.**

**Happy Hour**

**4:00-5:30 p.m.**

### **Calling Urban Planners, City Officials, and River Enthusiasts!**

Join us for a collaborative session hosted by the **Waterfront Alliance**, **Renew Moline**, and the **City of Moline** to learn about how Moline and other local riverfronts are made more resilient through the **WEDG Criteria**:

Site Assessment  
& Planning

Climate & Hazard  
Resilience

Community  
Access &  
Connections

Edge Composition

Natural  
Resources &  
Sustainability

Innovation

**WEDG**, like LEED, is a credit system and a tool to guide and enhance projects on a voluntary basis.

WEDG distills the complexities of **waterfront science**, **engineering**, and **social engagement** into comprehensive and easy to communicate design concepts.

**BONUS!**

**Free Taco Bar**

**5:30-6:00 p.m.**

**Audubon Workshop  
on NEST Projects**

**6:00-8:00 p.m.**
